

## **Reviewer Comments:**

**1.Add more papers from the last five years. Some of the references are old.**

DONE

**2. Check the spelling and grammar properly.**

DONE

**3. Provide the findings from the literature survey and explain the novelty of your work.**

DONE

**4. Add comparison report in result sections (if any).**

DONE

**5. Keywords should be minimum eight.**

DONE

**6. Flow diagram and images are not visible properly.**

DONE

**7. Make separate paragraph for Conclusion and future work.**

DONE
